Subject:	Intermediate System Administration for Solaris 10

I received the final evaluation summary for subject class.

The results are as follows:

Overall trainee average rating: 95.75%

Overall trainee average rating of the instructor: 98%

Comments:

- Dave is an excellent instructor as he is very knowledgeable. He is very detail oriented and goes above and beyond to make sure that everything we need is addressed. The real life examples used are extremely helpful in understanding the material. Dave is very enthusiastic and always asks if we have any questions. We should have more classes with Dave as the instructor.
- A really good class. Dave is an excellent instructor. I learned a lot.

There were not any negative comments.

Thank you both for delivering this excellent class, I am very grateful for your hard work.

ACES Class Number 374702

ADDITIONAL COMMENTS:

Mr. Silverberg is an excellent instructor as he is very knowledgeable. He is very detail oriented and goes above and beyond to make sure that everything we need is addressed. The real life examples used are extremely helpful in understanding the material.

Mr. Silverberg is very enthusiastic and always asks if we have any questions. We should have more classes with Mr. Silverberg as the instructor.
